Topic: The darkness is thriving – Part 18

Bible Reading: Genesis 1:1-8

Darkness is making people utilizing money wrongly

It is important to know that every soul needs money to survive in this world; however, humans must not pursue money at all costs. For some people getting money has become a do or die thing, and there is nothing that the majority of the population of this world will not do in order to get money. We need to realize that countless atrocities and nefarious activities are being committed on a daily basis in order to get money. All the vices including but not limited to fraud, embezzlement, prostitution, drug and human trafficking, home invasion, carjacking, kidnapping, assassinations, theft, blackmailing and many more are committed because of money.

The unquenchable desire for money: The darkness is using inevitability (inevitable habits) to put humans and Christians in a spiritual bondage. Satan is using the unquenchable desires of earthlings to spiritually imprison them and make people turn their backs on Almighty God their Maker. Are you committing any crime secretly to get money? Are you aware that Lucifer is ready to put you in bondage, if you are pursuing money wrongly? Are you one of those who are ready to do anything in order to obtain money? Do you know that you will be penalized by God; if you get money from ways that displease Him, even if it is legal in your State/Nation?

Your situation must not make you fall: Never allow your situation or your challenges to make you a victim of the strategy of darkness. Whatever you are passing through must not make you disobey your Creator by pursuing money at all costs. In every circumstance, you need to pursue money moderately in ways that are legal and acceptable to God. Inasmuch as God has promised to give you rest from your pains and turmoil; cease pursuing money illegally. The Lord who promised to set you free from your sorrow, suffering and spiritual slavery can be trusted to keep His words.

Today, Almighty God will make you recover from the abuse or harsh servitude that you are presently enduring in Jesus' name. The Bible affirmed this fact by saying, "It shall come to pass in the day the Lord gives you rest from your sorrow, and from your fear and the hard bondage in which you were made to serve." **Isaiah 14:3.** We pray that God will give you relief from your struggles, and you will be comforted in every possible way in Jesus' name.

Generosity brings increment: It is essential for Christians to be generous with their money in order to get richer; because any liberal person who is watering other people will be watered; however, let your charity begin at home. The world of generous gets larger and larger; while the world of the stingy gets smaller and smaller. It is possible to assist others and still become richer with the blessings of the Lord. It is also possible to hold on too tightly and lose everything.

Do you know that greediness can make you fall into poverty? Are you stingy with what is appropriate? Do you know that if you assist the less privileged and you are prudent with money, you will not become needy? The scripture attested to this fact by saying, "There is *one* who scatters, yet increases more; And there is *one* who withholds more than is right, but it leads to poverty." **Proverbs 11:24.** We pray that you will not suffer during the remainder of your lifetime, in Jesus' name.

Never make money your goal: Christians must pursue money moderately, if they do not want to stray from the faith. The Beloved must not have greedy desire for money and the willingness to gain it unethically; because money is the root of all sorts of evil. Anyone who does not want to wander from Christianity Faith and have many acute mental pangs will not love money. Never make money your goal, and do not crave for money, if you do not want to end your life with many griefs. Since the love of money causes all kinds of trouble that can influence you to turn your back on the Lord; stop craving for money, if you do not want bad things to happen to you.

Do you know that if you are greedy for money, you will entangle yourself in many sorrows? Do you know that setting your heart on getting rich at all costs will bring sadness and troubles? Do you know that setting your heart

on being wealthy will expose you to temptations? Do you know that greediness for money can ruin and destroy your soul? Do you know that determination to be rich at all costs will cause you untold agonies of mind? Do you realize that love of money is the first step toward all kinds of sin?

Lust for money brings trouble and nothing but trouble; according to the scripture which says, “For the love of money is a root of all *kinds of* evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows.” **1 Timothy 6:10.** You must not love money if you do not want to self-destruct yourself. The craving for money will make you live to regret it bitterly. Beware of greediness for money; else you will fall into one of the world’s traps.
