Topic: The darkness is thriving – Part 21

Bible Reading: Genesis 1:1-8

Do not trust power

Do not trust power, because power triggers psychological shifts that reduce empathy and increase entitlement. The powerful people always have feelings that alter their brain function to reduce empathy and spark unethical or impulsive behavior. The people who trust in power usually ignore social norms (the unwritten rules, shared expectations and standards of acceptable behavior that guide how people act within a community or State). Those who rely on power always prioritize self-interest over others/State and interrupt others at will to exhibit their supremacy. One common conduct of those who have confidence in power is that they rarely admit mistakes or act ethically.

It must be noted that the majority of those who actively seek power are frequently unsuited for it, due to their ego. For these reasons, we are warning you not to trust blindly in power, and if you are currently among the powerful people, beware, so that power will not corrupt you. Are you acting according to norms rooted in your Nation's core values of right and wrong, with social penalties for violation? Do you think your forbidden actions are causing extreme revulsion? Are you acting impulsively (doing things based on a sudden desire, whim or feeling rather than careful thought)? Are you acting without empathy (understanding and sharing emotional experiences, thoughts, or feelings of another person)? It is time to retrace your steps and rely solely on God rather than trusting in power.

Never rely on extortion and oppression: You must never put your trust in violence or depend on dishonesty, or rely on power. Do not trust in your power to take things by force and do not cheat people to get money. Even if you become rich and powerful; do not think it is important. Never use your power to corruptly enrich yourself and hurt others. Even if you have a windfall (unexpected, unearned, or sudden gain, advantage or amount of money), never trust it or make much of it, or set your heart on it. It is

necessary not to get money in a wrong way or be proud in unethical things; according to the scripture which says, “Do not trust in oppression, Nor vainly hope in robbery; If riches increase, do not set your heart on them.” **Psalm 62:10,** Beware, never to make your living by extortion or make power the center of your life.

For this reason, do not use your power to bully others or suppress the truth. It is important not to trust in your power or powerful people who can be alive today and cease to be a living being tomorrow. You must not depend on anyone, but God. Stop trusting leaders, and do not trust any human beings; because there is no saving help with them. Inasmuch as Salvation belongs to God; do not put your life in the hands of experts who know nothing of life; according to the Bible passage which says, “Do not put your trust in princes, nor in a son of man, in whom there is no help. **Psalm 146:3.** Do not trust power or influential people; because mortals cannot help save you.

Depend on God not power: The best thing that can happen to any living being is to depend on God for survival. Those who do not rely on God for sustenance will be doomed. Unless you put your trust in the Lord, your survival in this world may be difficult. It must be noted that judgment is coming upon those who rely on power or carnal things; instead of God. Do you trust in powerful people instead of the Lord? Are you looking for carnal power or seeking God? Do you know that those who depend on humans instead of God will be doomed? You need to realize that it will be terrible for people who forsake God to seek assistance from mortals.

Do you know that trusting your might and smartness instead of the Holy One of Israel will make you miss the kingdom of heaven? Do you know that sorrow awaits those who depend on technology instead of God to resolve their issues? The Bible confirmed this fact by saying, “Woe to those who go down to Egypt for help, and rely on horses, who trust in chariots because they are many, and in horsemen because they are very strong, but who do not look to the Holy One of Israel, nor seek the Lord!” **Isaiah 31:1.** It will be bad for anyone who elevates anything in this world above God. Therefore, do not trust or be impressed by anything in this world; instead of God.
