“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord: I do not change, says the Lord God of hosts. I created the heights and the plains; all power belongs to I the Lord. Is there anything in the world that is difficult for I, the Lord, to accomplish? I sit at a great elevated location, and I examine the circle of the earth; then I observe the conduct of humans. I looked down at the entire world, including everything that I created, including the heights and the plains. All the creatures that are breathing and those that are not breathing.

Messages concerning Nigeria

Plot to assassinate President Ahmed Tinubu:

Thus says the Lord God of hosts: Notify Bola Ahmed Tinubu that this period is not for jokes or the period that he can utilize his own wisdom to govern; because the ground can make the powerful being to slip. Instruct Tinubu to take steps so that they will not perform the type of judgment done to Sanni Abacha on him. People are presently plotting this nefarious act.

President Tinubu's government will be toppled if:

Thus says the Lord: Tinubu should not handle these messages with levity; so that his administration will not be toppled. So that people will not enter Aso Rock with a great storm that will cause a looming crisis to burst; in order to ruin his administration. Therefore, notify Tinubu to be vigilant and prepared.

Government will be given to another person if:

Thus says the Lord: If this looming crisis bursts, Tinubu will not be recognized as the President anymore; then the government may be given to his neighbor who is better than him.

Outcome of disobedience of President Tinubu

Thus says the Lord of hosts: If Tinubu refuses to act according to My instructions. I really pity that a king may reign briefly, and a king who is supposed to reign for eight years may reign for only two years; while a king may reign for only one year. Son of man, warn Tinubu quickly to use the wisdom of God and not the wisdom of anyone.

Tinubu should not ignore the former Presidents:

Thus says the Lord: Tinubu should not commonize, or disregard his godfathers who are giving him necessary support. Tinubu should not

ignore the former presidents, and he should overlook whatever wrong they might have done to his journey. Tinubu should convene a meeting with the former presidents; so that his administration can be accommodated.

Thus says the Lord of hosts: If Tinubu turns a deaf ear to these messages, his administration will not last. Then the people who are having a series of meetings to make Tinubu lose his life will come against him; and they will conquer him.

Tinubu should not handle the military with levity:

Thus says the Lord: Tinubu should not handle the military with levity. The Army, the Navy and the Air force including the para-military that are providing security at the borders; the immigration, the customs, the NDLEA, and the SSS. All these personnel must not be handled with levity; instead, Tinubu should appreciate their works.

Those who want Tinubu dead are more than those praying for him:

Thus says the Lord: Tinubu needs wisdom and understanding during this hour, so that his administration will progress. If Tinubu turns a deaf ear to these messages; I repeat the government will be collected from him. Though, I the Lord, had previously mentioned that the government will be collected from him; however, people should use prayers to wage war for him in all his journey; because the people who are seeking to terminate his life are more than the people who are praying for Tinubu.

Pray for Tinubu against a looming crisis:

Thus says the Lord: My messenger, assist Tinubu with prayers; because his issue needs supervision and prayers. A looming crisis will burst, and it will have a widespread effect, but Tinubu should pray so that I the Lord will overturn the spiritual hand of this looming crisis.

Most appointees will ruin President Tinubu's Administration:

Thus says the Lord: The people that Tinubu appointed to offices in his administration are mostly those who can ruin his administration; the people who can improve his governance are few among those appointed to offices in his administration.

Thus says the Lord of hosts: Though there are many ministers in Tinubu's administration; but there are some that are qualified and they are working effectively. Tinubu should give them authority and power to perform their duties.

Tribal issues for secession:

Thus says the Lord: Tribal issues will rise; the AREWA will rise, the middle belt people will rise, the Fulani will rise, the Yoruba will also rise and the Igbo will rise. What they will have in common is that they want to secede from Nigeria.

Thus says the Lord: Tinubu should apply wisdom to govern, and he should not use his own wisdom; because if Tinubu turns a deaf ear to these messages, governance will be collected from him. Behold, the presidency will be collected from Tinubu by force; if he fails to act as instructed.

Thus says the Lord: Tinubu has become the President according to his ambition or aspiration, with his own foreknowledge; however, the ground can make the powerful being to slip, if such a person is not cautious.

President Tinubu should stop double dealing:

Thus says the Lord of hosts: There are continuous meetings currently concerning the issue of collecting the government from Tinubu. Tinubu should not be double-dealing; if Tinubu wants to be cold, he should be cold; if he wants to be hot, he should be hot; because I the Lord will vomit any lukewarm person.

President Tinubu should fight for his tribe:

Thus says the Lord: Inform Tinubu to fight for his tribe; instead of fighting for another tribe. Though, he should not be partial, but be fair to everyone.

Thus says the Lord: Tinubu should not disgrace his tribe, or put them to shame; because certain people are planning to take governance from him. Behold, meetings that surpass the age of Tinubu are currently happening concerning this issue.

President Tinubu should give people power to act/work:

Thus says the Lord of hosts: Tinubu should give the people in powerful positions the authority to act. My messenger; notify Tinubu, to take these steps quickly, and he should not utilize his own wisdom. Tinubu should give the law enforcement personnel power to work, and he should not restrict them. Tinubu should give the Minister of Defense power to work and act; so that peoples' lives will not be lost anymore. Tinubu should give the ambassadors power to work; so that the economy of Nigeria will not be following a downward trend anymore. Tinubu should give the foreign sector power to work.

Thus says the Lord: Tinubu has the authority to give his wife power over the women. There are certain things that need amendments, that the men have ruined. There are certain brave women who can bring rectification to Nigeria; Tinubu should give them power.

Tinubu should not cause trouble for politicians of other parties:

Thus says the Lord: Tinubu should give the executive power to operate in their States; so that the economy of Nigeria will expand.

Thus says the Lord: Tinubu should not use a forceful hand to handle politicians from other political parties, or take steps to muddle their administrations; else it will boomerang. Tinubu should give the members of the Royal Forum the power and authority to govern their various cities, and convene for the development of Nigeria. Tinubu should give the judiciary power to act, and he should stop delaying them through the

cabinet that is governing with him. Tinubu should release power for the Senate and House of Representatives, including the National Assembly to perform effectively.

President Tinubu should assist the youths:

Thus says the Lord of hosts: Notify the President to find time to assist the youths, and listen to their cries. If he turns a deaf ear to these messages his administration will be torn. The aggression of the youths is very much in a way that can make them psychopathic.

Thus says the Lord: My messengers write down this period; before Tinubu leaves government, he will realize that various events of insanity and deranged behaviors are rampant among the youths.

The future of Nigeria has weeping:

Thus says the Lord of hosts: The future of Nigeria contains weeping, and it is sorrowful. The youths and the people in the positions of authority should pray fervently; because the future of the country has lots of tears. Though the youths are the future; but the future of Nigeria has lots of spiritual scars.

Thus says the Lord: My messenger, the future of the youths is very important; so, do not fear to disseminate these messages on several social media platforms.

President Tinubu should seek people with Holy Spirit:

Thus says the Lord: Tinubu needs covenant and power; it is for this reason that he needs religious advisers. He should seek people who are filled with the Holy Spirit to pray fervently in his Aso Rock; not the people who seek him to fill their stomachs. Tinubu should not seek the wealthy religious people who are using their riches to put others in bondage. The people that Tinubu should seek are the religious people, that the fire of the Holy Spirit still resides in their lives. These are the people that Tinubu should rely upon this year, and he should not depend on the corrupt people as religious advisers anymore.

Religious advisers should pray for President Tinubu:

Thus says the Lord: The people that are religious advisers should use prayers to wage war for Tinubu during this period. From January 2024 until his birthday; then he should count 41 days after his birthday. This man needs serious prayers.

Messages concerning Colombia and Cuba

God is not pleased with how they conducted their administrations in 2023

Thus says the Lord: Cry to President Gustavo Petro of Colombia and President Miguel Diaz-Canel of Cuba that I the Lord is displeased with how they conducted their administration last year (Year 2023). So, Gustavo and Miguel should improve in their governance this Year 2024.

Thus says the Lord: I the Lord wants to send heavenly dew on Colombia and Cuba. I want to create a new glory for these Nations. I the Lord intend to change tactics and raise the economy of these countries.

Colombia and Cuba should not allow terrorism:

Thus says the Lord: Colombia and Cuba should not permit terrorists who are controlling these Nations and causing the economy of Colombia and Cuba to regress.

Thus says the Lord: Both Colombia and Cuba should permit the religious people who can raise the glories of these Nations to flourish because I the Lord intend to collect glory. Colombia and Cuba should seek the guidance of the people who are filled with the Holy Spirit; because I want to bring development into these countries.

Thus says the Lord: I the Lord is displeased concerning the economy of Colombia and Cuba; most especially the panic events that happened last year (Year 2023) in these Nations.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of a human to speak to everyone. Mankind should listen to I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.
