Topic: The darkness is thriving – Part 22

Bible Reading: Genesis 1:1-8

Better to trust the Lord

The best thing for mankind is to take refuge in the Lord, rather than putting confidence in humans. It is better to trust the Lord for protection than to trust power. It is better to depend on God than to trust mortals. Do you know the hand of God can turn away the spiritual tide against you? Do you believe that God alone can give you victory? Why not trust in God rather than putting confidence in celebrities? The Bible attested to this fact by saying, “It is better to trust in the Lord than to put confidence in man.” **Psalm 118:8.**

For this reason, cease trusting weak and dying mortals; instead of God. Stop trusting the power of humans; because when they die, how can they help? Inasmuch as humans are as frail as their breath, don’t ever put your trust in them. The Bible corroborated this fact by saying, “Sever yourselves from such a man, whose breath *is* in his nostrils; For of what account is he?” **Isaiah 2:22.** Hence, trust in the Lord, and stop trusting in people or power to save you.

You are given power for a purpose: God is the One who is giving you power to make wealth; so, trust Him and seek Him earnestly. It is important for humans to remember their Creator with profound respect for what He has done, what He is doing, and what He will do in the future in their lives. God gave you strength to be prosperous in order to establish the covenant He made with your ancestors. It is God who is giving you good health to make a living, not because you are eating healthy. God is the One who gives you power to become rich not your medications or therapies.

Do not say, “I did all this by myself, and I am rich;” because it is the Lord who made it possible for you to be rich. Inasmuch as God is faithful, He gives you power to be successful in order to keep His agreement with your

ancestors. Therefore, do not abuse or misuse your power; always use your power in a fair manner; according to the scripture which says, “And you shall remember the Lord your God, for it is He who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day.” **Deuteronomy 8:18.** Remember, God is the One sustaining you with good health and ability to produce wealth, not your medication and therapies.

Do not become accursed: It is inevitable for you not to trust in mere humans and depend on human strength; else, you will be cursed. Those whose minds and hearts turn aside from the Lord are accursed people who have no portion in the kingdom of heaven. God put a curse on those who turn from Him and have stopped trusting Him. You must never rely on yourself or frail man; if you do not want to be condemned. Turning aside from Almighty God will make you become accursed. Anyone who thinks he can make it on muscle alone and sets God aside as dead weight is having illusions.

It is better to be in a good standing before the Lord than be an accursed person. Do not trust in power or humans; if you do not want to become accursed; according to the scripture which says, “Cursed *is* the man who trusts in man and makes flesh his strength, whose heart departs from the Lord.” **Jeremiah 17:5.** By drawing your strength from mere flesh alone instead of God will bring condemnation. Reliance on frail humans exclusively without seeking assistance of the Lord will make you become accursed.
