The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord of hosts: The Supreme Being who created paths in the wilderness. The One who burnt the chariot of war. The One who rode on waves of the sea. I descend, says the Lord, and I hold captivity captive, says the Lord God of hosts.

Thus says the Lord: Behold, I am not human; so, I will not send messages without supporting them. I am not a human who provokes his/her father. Son of man, I descend during this period.

Messages concerning the Nations of the world

Plot to eradicate Christianity by Iran, Saudi Arabia and Egypt:

Thus says the Lord: These countries: Iran, Saudi Arabia and Egypt do not want Christianity to be in existence anymore. They do not want people to hear about Israel anymore, or any pilgrimage to Jerusalem. They are determined to stop people from going to the birthplace of Jesus Christ.

Messages concerning United States of America

President Biden failed to act as instructed:

Thus says the Lord: I have previously sent prophecies concerning this man Trump who is the former President of America; and I also warned Biden the present President.

Thus says the Lord of hosts: I the Lord instructed Biden to observe certain steps and seek the face of I the Lord; so that his position will not be given to his neighbor who is better than him. I also said, if Donald Trump takes certain steps, and if Trump exalts I the Lord; then I the Lord will make him return to the presidency position.

President Biden:

Thus says the Lord: The outgoing President Biden had used his quietness to make contrary things to penetrate his administration. Things like LGBT (lesbian, gay, bisexual and transgender) activities; these are what Satan used to penetrate and muddle Biden's administration; then the hosts of hell use this to their advantage by entering all locations leaving no room for the fear of I the Lord anymore.

President Biden did not pay attention to warnings:

Thus says the Lord: My messenger, write it down, everyone will be rewarded for their deeds in this world, whether good or bad. I, the Lord, sent several messages to warn Biden, but he did not pay attention to My messages. Had it been that Biden heed My warnings; he will still be the President of America the second term. The issue of Biden is like that of the Biblical Saul. Saul obeyed the instructions given to him for a brief time, but he later turned against I the Lord, and the glory was collected from Saul and it was given to his neighbor who is better than him.

President Biden hindered by US Allies:

Thus says the Lord: I, the Lord, had informed the outgoing President on the steps to take; but he was not given the opportunity to carry out My instructions. The countries that are allies of America are the ones that hindered President Biden from carrying out the tasks.

Expectation of God from Biden's Administration:

Thus says the Lord of hosts: I the Lord did not forsake the present administration, but I am expecting the humility, positive change of heart and repentance of the people in the current administration; says the Lord God of hosts. It is then that Biden can call on Me for mercy, and I the Lord will answer.

Vice President Kamala Harris supposed to win the Election:

Thus says the Lord: Kamala Harris is the one who was supposed to win the Election, but she made a mistake in one of her speeches by saying/uttering contrary words that made the eye of I the Lord to be bitter towards her. Then, I, the Lord said, "Why not honor Me? Why not exalt Me and elevate I the Lord more than anything in this world?"

The reason why VP Harris lost the 2024 Election:

Thus says the Lord of hosts: The reason why Kamala Harris lost the Election was that she did not exalt I the Lord and she did not elevate Me, but she relied on people who depend on satanic covenants and power of secret society that cannot save. This is the primary reason that Kamala Harris lost the Election.

God tested Trump when Kamala Harris became unworthy:

Thus says the Lord: Notify Trump to be wise; because I the Lord raised him for the rise and fall of people in America. If I, the Lord, can overlook the mistakes of Trump very quickly before the Election Day; and I the Lord said, "Let Me test this man Trump; inasmuch as the person that I wanted to give the position of Presidency of America has spoken contrary things."

Thus says the Lord: The issue of Donald Trump is similar to the case of Former Presidents Jonathan and Buhari of Nigeria. Jonathan who was the ruling President fell into sin and became unworthy; and the Presidency was given to Buhari who is nobody. The case of Biden, Harris and Trump is similar to the event that happened in Nigeria.

President Trump prayed to God concerning the Election:

Thus says the Lord: Tell Donald Trump that inasmuch as he has honored I the Lord when he thought he will not win the Election. I, the Lord, noticed when Trump called upon Me in his room and in the midst of people. This is what prompted I, the Lord, to act on his behalf, and make him win the Election.

God made Trump desirable before Election Day:

Thus says the Lord: Behold, My messenger, I, the Lord took the governance of America and gave it to another person who is Donald Trump. I the Lord will use Trump for two things; therefore,

I the Lord made Trump to be acceptable wherever he has been rejected and became unwanted. I, the Lord, made Trump to be favored where people have forgotten **him two days before the Election.**

God raised the love of Trump in America:

Thus says the Lord of hosts: I raised the love of Donald Trump in America, and people rose and desired Trump to be the President; because I, the Lord, intended to use Trump for a brief period. I, the Lord, raised Donald Trump for the rise and fall of certain people in America.

Trump was raised for the rise and fall of people:

Thus says the Lord: I the Lord raised Trump for the rise of the afflicted Beloved, and the fall of the spiritual illegitimate children and the realm that intends to turn America to a desert land spiritually, and make her go back into slavery.

This is not a dancing period Trump:

Thus says the Lord: Son of man, inform this man Trump that this is not a dancing period. My messenger, let Trump know that his being alive today is not due to his power; because I the Lord preserves him for a certain reason. The strange spirits and the spirits of conspiracy have penetrated America. They have penetrated America through the wisdom of the present administration; because Biden cannot decree or give order as necessary. This is due to the action of certain people who are investigating Biden and those that did not give him honor that Biden deserves; so, these contrary spirits are determined to muddle up the governance of America.

God preserve Trump for a reason:

Thus says the Lord: Inform Trump that the ground can make the powerful being slip. Notify Trump that, thus says the Lord God of hosts: The reason I did not allow Trump to die is because I want to use him in America briefly, and not for a long period of time. Let Trump realize this reason.

Thus says the Lord: What I the Lord intend to use Trump for are the following: My messenger open your ear and pay attention.

- I the Lord raise Donald Trump up for the fall of the people who want to trivialize America and make her desolate.
- I raise Trump up for the rise of the people who fear I, the Lord.

Son of man, tell Trump that what I the Lord desire concerning the issue of America is **“In God we trust.”**

Trump should pray against charges:

Thus says the Lord: Inform Trump that within three months before his Inauguration Day; he should pray for these three things, because it is possible for people not to surrender power/governance to Trump, through charges that will make him ineligible for office of the President of America. These activities to press charges to disqualify Trump are ongoing secretly.

Pray against downfall of Trump:

Thus says the Lord: People should assist Trump with prayers; because within three months, things will be very severe, and surprise attacks or ambushes will happen.

Thus says the Lord: A smaller country compared to America is what her foes will like to use to cause the downfall of Trump; so, inform him to beware. Behold, the issue of Trump needs supervision and prayers. Behold, My messenger, within three

months, things will be tough in America. Cries will flash like lightning throughout America. The Trump Administration will shake America during the first three months.

Power will be released for Trump if he acts:

Thus says the Lord: If Trump refuses to act as instructed; certain people are investigating him with the intention of bringing charges against him; in a way that will not make the government/presidency to be released for him. This event may take place between December 2024 and January 2025.

What Trump need before the inauguration ceremony:

Thus says the Lord: What Donald Trump needs before taking the reign of power and three months after his inauguration ceremony, are the wisdom of God and understanding from God together with success. In addition, Trump needs the spiritual people filled with the Holy Spirit to guide his administration. I, the Lord, sent similar messages to President Biden to seek people with the Holy Spirit to guide his administration.

Anyone who comes against Trump will be penalized:

Thus says the Lord: Anyone who speaks harshly against Donald Trump will not go scot-free. When Trump seeks wisdom and seeks people who are filled with the Holy Spirit to guide his administration; whoever comes against Trump will face the consequences. The reason is that whoever the Lord supports, needs no human. Therefore, Trump should not fight, or exhibit arrogance.

Thus says the Lord: I the Lord is prepared to rise concerning the issue of America; because the hurting of America is enough. Donald Trump needs to be vigilant and be wise.

Trump should pray for wisdom:

Thus says the Lord: Son of man, tell Trump to ask for wisdom, understanding and success. Trump needs these qualities/gifts concerning the issues of America because anyone who is not filled with wisdom and understanding cannot govern America, and whoever does not have the knowledge of success cannot govern America successfully.

Trump needs boldness:

Thus says the Lord: Trump needs boldness; because anyone who is gentle cannot govern America; because the issue of America needs supervision and serious prayers; so, Trump should return to **'In God we trust' and not 'In power we believe.'**

Trump should be vigilant:

Thus says the Lord: Inform Donald Trump that this is a period of vigilance, and it is not a period to entertain guests to come into his residence; so that they will not hurt him.

Thus says the Lord of hosts: Everything that Trump wants to accomplish during his tenure has been posted on the internet, but the important ones that he would like to achieve when I the Lord endow him with wisdom should not be publicized. Trump should not divulge all his steps to the public. I, the Lord, will utilize Trump for a brief period to cleanse the confusing things that are concealed from the populace; but they are hurting America.

Trump should be wise and careful:

Thus says the Lord: Inform this President-Elect to be wise and careful; the reason is that somebody who is a trouble-maker some time ago may turn out to be useful for the Nation again. Tell Trump to do things calmly with wisdom. Trump should seek the people who are filled with the Holy Spirit and understanding to

guide his administration; because he has a big task to perform concerning the issues of America.

Trump should seek people with Holy Spirit:

Thus says the Lord of hosts: I, the Lord, will perform great feats concerning the issues of America. If this man (Trump) acts as instructed according to these messages and seeks the people who have the understanding of the Holy Spirit. If Trump acts according to the guidance of these spiritual people, and they pray for his administration; then Trump will govern America successfully.

Trump should eradicate abominable things:

Thus says the Lord: The steps that I want him (Trump) to take is that all the things that bring abomination to America must be eradicated, and he should bring positive changes to America. He should make America rise again wherever she has fallen.

Trump will be used to rescue America:

Thus says the Lord: Trump is about to rescue America from the governments that have penetrated America, and they are ruining the economy of America. Thereby making the populace to be afflicted. This is what made the eye of I the Lord to be bitter; so, I started bringing storms and severe rain; including fiery dews and using gale to wreak havoc in America.

Thus says the Lord: Behold, My messenger, many people will flee from their States or Cities of residence and move to other States/Cities because of what will happen within the first three months of Trump's Administration will be very severe. When it is six months, things will now be relaxed.

After Trump, female will become the President of America:

Thus says the Lord: After Trump's tenure, a certain vision will be fulfilled in America that a female will become the President of America; write down today's date. Before a female can ascend to the position of Presidency of America; Trump needs to cleanse certain things in America. If Trump is obedient, I the Lord will support him. I, the Lord will destroy meaningless spiritual altars that are working against the economy of America, and dragging America in a downward trend.

Certain countries brought extremists into America:

Thus says the Lord: There are certain hosts of hell presently in America that certain countries brought into America to cause chaos. These godless people are conspiring against America, and they are hurting America. I, the Lord, will expose all of them and their secrets will be revealed.

Evil plots against America will be destroyed:

Thus says the Lord of hosts: I the Lord is prepared to destroy evil plots concerning America. The glory of America will rise again and the issue of America will return to 'In God we trust.'

America previously believed in God:

Thus says the Lord: America is not like this in the past; because the Americans believed very much in I, the Lord. The Americans even have faith that I the Lord is great! It is for this reason that I the Lord gave glories to America more than other countries. However, since the time that the spiritual illegitimate children, and certain tribes came into America; they have changed their resolution before I the Lord.

Thus says the Lord of hosts: I, the Lord, at times utilize tough and stubborn people to change things within a minute; because I, the

Lord, has come to avenge America on those troubling, or afflicting America.

America will rise, secrets expose, and termination of Trump:

Thus says the Lord: The eye of I, the Lord is bitter towards sin, and the behavior of humans is different from that of I the Lord. Son of man, America will rise and America will be raised up in 2025.

Thus says the Lord: Many secrets will be exposed in 2025 in America. People will cry out in 2025 because of the severe hand of governance that Trump will use, and this will make certain people pursue the termination of Trump's life. It is for this reason that I instructed him to find the spiritual people to surround his administration.

Messages concerning State of Israel

Prime Minister Netanyahu:

Thus says the Lord of hosts: Inform the Prime Minister of Israel to be wise and have much understanding. Netanyahu should not use power during this period. Netanyahu should listen to advice before making a decision. I, the Lord, will trouble whoever intends to trouble his work; says the Lord God of hosts.

Israel's enemies will be judged and hostages will be freed:

Thus says the Lord: Let Netanyahu know for certain that anyone who intends to hurt Israel will be hurt by I the Lord. My messenger, I the Lord, am ready to set the hostages free from their captivity. There are certain people held hostage in captivity for a long time; the eye of I the Lord saw their plight. I, the Lord, am ready to set the hostages free from their captivity.

Thus says the Lord: Behold My messenger, **I, the Lord, will walk in My power and I will speak in My power. I, the Lord, will fight with thunder, and a great storm will descend from heaven in order to pass through the location where these hostages are kept.**

Conspiracy to cause economic downturn in Israel:

Thus says the Lord: Son of man, certain people want to make the economy of Israel to be desolated; that is the reason the terrorists are acting in that manner. Behold, My messenger, those who are conspiring against Israel are not the people residing in the territory of Israel, or the Palestinians. Those who are conspiring against Israel are far away from Israel.

Thus says the Lord of hosts: These three Nations, Iran, Saudi Arabia and Egypt do not want people to go to Israel for tourism or pilgrimage anymore: because they know that it is tourism and farming that is fueling the economy of Israel.

Countries against the prosperity of Israel:

Thus says the Lord: Other countries that are against the prosperity of Israel apart from Iran are: Saudi Arabia and Egypt. I, the Lord, will muddle up the secret plot concerning Israel that did not want My covenant and promises to come to pass in Israel.

Iraq is involved in the scheme against Israel:

Thus says the Lord: Though, Iraq is also involved in the scheme; however, there is a misunderstanding between Iran and Iraq. Behold, My messenger, there will be a dispute among certain countries that are against Israel, and they will fight one another.

Certain Nations want Israel to be obliterated:

Thus says the Lord: Certain Nations are determined to annihilate Israel, and they made a resolution that they will not allow Israel to

grow economically and otherwise. These Nations held secret meetings concerning this issue a long time ago; but they realize that Israel always has ways to neutralize their schemes. It is for this reason that these Nations concluded that it is better to use the terrorists within the territory of Israel and those near Israel's border, than to confront Israel militarily without any justification.

Most terrorists troubling Israel are not Palestinians or Lebanese:

Thus says the Lord: Most of these terrorists who are fighting against Israel are not Palestinians or Lebanese. They are the foreigners who have established themselves and gained influence in those locations; they are the ones that are carrying out the order or the agenda of their country of origin.

God will defend Israel and expose secret plots:

Thus says the Lord: What Israel needs during this period is to commit everything to I the Lord, and allow I the Lord to be preeminent in their journey. Once the people of Israel make I the Lord to be preeminent; I will arise to defend Israel.

Thus says the Lord: My messenger, I, the Lord will expose the secret plot against Israel. I will reveal what is concealed which most people across the globe do not know between November 2024 and March 2025.

Thus says the Lord: I, the Lord will uncover or unmask the secret plots against Israel, and Israel will receive liberty in the presence of the world.

Messages concerning United Kingdom

Kemi Badenoch:

Thus says the Lord: Son of man, I am very concerned about the issue of Nigeria and the UK. I, the Lord, utilized mercy to save a certain child of mine whose name is Kemi Badenoch.

Time to install Kemi in a powerful position is near:

Thus says the Lord of hosts: Inform Kemi that the period that I the Lord intends to install her in a powerful position that black people have sought for a long period is at hand.

Thus says the Lord: Even though I the Lord knew that Nigeria is full of sin, and the citizens are full of disgraceful acts. Nigeria is a country whose citizens lack respect for the Rule of Law. I, the Lord, intentionally gave the political position to the Yoruba Land, and I did it to confuse the world.

Kemi is in position not by her power:

Thus says the Lord: Kemi that I the Lord put in a powerful position is not by her power. I, the Lord, have previously sent white people to this Nation (Nigeria), but they turned a deaf ear to the messages because of corruption and their aspirations.

Kemi should be wise and utilize the wisdom of God:

Thus says the Lord: Notify this woman Kemi to be wise. I, the Lord, raised her up for a certain reason, and I preserved her for a certain reason. However, she should be wise. She should not do things with her own wisdom; instead, she should utilize the wisdom of I the Lord. Kemi should seek the people who are filled with the Holy Spirit, understanding, and power of God to guide her journey. The reason is that she should look back at her youthful days when I, the Lord, has been preserving her.

Kemi should not allow lawless Nigerians to ruin her works:

Thus says the Lord: Kemi should not allow contrary Nigerians who do not follow the statutes to wreck her works concerning the United Kingdom; because they believe so much in her. Kemi should be wise, and she needs to realize that the advice of I, the Lord, is more important than the advice of humans. I, the Lord, am the One who put her in that position.

Messages to Iran

Iran should not foment trouble:

Thus says the Lord: Iran should not foment trouble; so that she will not face the consequences; because I, the Lord, will pass through Iran during this period.

Christianity will flourish in Iran:

Thus says the Lord: Christianity will be established and thrive in Iran. I, the Lord, intend to enter Iran, and the greatness of My power will change the hard-hearted people in Iran to those who believe in My name.

Messages concerning Nigeria

Nigeria is sick:

Thus says the Lord: I behold this nation Nigeria, and I am very concerned. Nigeria is very sick; because the love of money is the root of all evil/sin. Most of the people who are amassing wealth do not know who will utilize the riches. Behold, many people will work, but others will utilize, or consume the rewards of their labor. The work of numerous people will be burnt during their lifetime.

Thus says the Lord: Behold, My messenger, I the Lord is examining the work of the Pastors/Priests who are your elders, and the people who are in positions of authority. I have been using fire to test their works since last year (2023). Son of man, the hand of I the Lord did not cease working; however, Nigeria is sick with corruption.

Pray for Nigeria:

Thus says the Lord: Behold My messenger, ask people to assist this Nation (Nigeria) with serious prayers.

Future of youths needs prayers:

Thus says the Lord: People should not joke with this message; because the future of the youths of Nigeria needs prayer. The period is near that many of the youths who graduated from universities/colleges; who are supposed to be the pride of the Nation, will be deranged (mentally unstable). The insanity of these youths will make them to behave abnormally; which means they are crazy and their understanding is disengaged, because of a bleak future.

Thus says the Lord of hosts: People in positions of authority have used the future of the youths to obtain loans, and this action is causing the lives of the youths to be stagnant.

Messages were sent to Inspector General of Police and Others:

Thus says the Lord: I have previously sent messages concerning the Inspector General of Police, Chief of Defence Staff and the Chief of Army Staff. I, the Lord, instructed people to assist them with prayers.

Looming crisis will burst between November 2nd, 2024 and January 14th, 2025:

Thus says the Lord of host: As from November 2nd, 2024 until January 14th, 2025, a looming crisis will burst, and it will shake the entire Nation. It will have effect from Aso Rock to the National Assembly; then it will proceed to the House of Representative. Write it down, a big looming crisis will burst.

Looming crisis will burst:

Thus says the Lord: Son of man, write down today's date, a looming crisis will burst. I use My heavenly throne to swear that the looming crisis has been shaking since November 2nd, 2024, and it will continue until January 14th, 2025 when it will burst in a manner that will have a widespread effect.

President Tinubu and his cabinet need repentance:

Thus says the Lord of hosts: Inform the President and his cabinet that I do not want yelling or crying alone. It is not only prayers that I the Lord want, but repentance. What I the Lord is expecting from them is repentance and sacrifices of contrite hearts; this is what can make their prayers ascend into My presence.

Thus says the Lord: If they pray for 40 days or 40 years, I the Lord will not hear their prayers; until they offer the sacrifices of contrite hearts and repentance. It is when they change positively and humble themselves before I the Lord that these people will see the favorable eye of I the Lord.

Period for President Tinubu to be closer to God:

Thus says the Lord of hosts: Inform the President that this is the period for him to have time for I the Lord. This is the time for Tinubu to seek religious advisers who are filled with the Holy

Spirit, and not those who are using common sense to deliver messages; because Tinubu needs them.

Thus says the Lord: The President should **not** seek those who are eager to share from the National resources of Nigeria as religious advisers; because they have achieved their aspirations on earth.

Thus says the Lord: My messenger, do not forget November 2nd, 2024 because the firmament has been changing spiritually. It must also be noted that misunderstanding is ongoing secretly, and it is very severe; though it is still at a redeemable level, because the eye of I the Lord is bitter towards bloodshed.

Send messages to every tier of the Government:

Thus says the Lord: Notify the President, the Senate President, the members of the House of Representatives, and the Ministers concerning these messages. Also, inform the Governor's forum, the Kings, the Commissioners, the Judiciary and the Law Enforcement Agencies concerning the looming crisis.

Thus says the Lord: I the Lord is moved to tears, and I really pity the situation of Nigeria; because the looming crisis is about to burst. This looming crisis will burst and have a widespread effect; unless the people in positions of authority have contrite spirits and repentance.

Requirement from Christian leaders and people in authority:

Thus says the Lord: I the Lord require these three things from the leaders of Christianity, and the people in positions of authority in the Nation: Contrite hearts, repentance and humility of their hearts. I, the Lord, do not need prayers alone, but the aforementioned things; it is then that they can ask for mercy, and I the Lord can hear their cries.

Leaders should abstain from their greediness:

Thus says the Lord: If they refuse to change and humble their hearts there will be consequences. These people should stop all their negligent conduct, and failure to fear the Lord. They should abstain from their greedy and selfish behaviors; together with their covetousness and their fearless attitude towards God.

Thus says the Lord of hosts: If these categories of people fail to refrain from the aforementioned conduct; all the prayers and cries that people are petitioning Me concerning them will not be heard by I the Lord. The reason is that the sacrifices of I the Lord are repentance, contrite heart, and humility. This is what I the Lord is expecting from these leaders and people in positions of authority.

The leaders of Christianity have collected bribes:

Thus says the Lord: Many people are delivering messages and giving false prophecies when they are not sent. The leaders of Christianity have collected bribes; so, they cannot utter the truth. For this reason, they will not say anything that will make the people in positions of authority to hurt them.

People in positions of authority need God:

Thus says the Lord: The people who are in positions of authority need the comprehensive word of God, wisdom, understanding and I the Lord to be successful. From the Governors' Forum including the Kings and the Law enforcement personnel; together with the Judicial Arm of the Government, and the Presidency; I the Lord is expecting repentance from them.

Thus says the Lord: Starting from the President of Nigeria, together with his household should repent. However, if all these people refuse to repent and change; all their prayers will be like iniquities in My presence. Son of man, I the Lord send these messages to them concerning all their sacrifices that excluded the

sacrifice of repentance, humility, and positive change of their hearts. I, the Lord, is bitter towards bloodshed according to the Book of **Isaiah 1:14-19**. My messenger, you can confirm from these Bible passages that the sacrifices of these sets of people are unacceptable to I the Lord.

People in governing capacities should humble themselves:

Thus says the Lord: My messenger, inform these people that I the Lord decree that these sets of people should take the following steps which are contrite heart, repentance, and positive change of their hearts. They should also humble their hearts as if they are nobody; it is then that they can ask for mercy from I the Lord and it will be granted. However, if they turn a deaf ear to these messages, the spiritual whip of I the Lord will arise and the looming crisis will burst between November 2nd, 2024 and January 14th, 2025; and it will have a widespread effect. Then it will be a case of a severe commotion.

Thus says the Lord of hosts: Behold, within these two months, the crisis will shake the country. The tribes in the Nation will ask, "Is God angry with us?"

Looming crisis will shake the tribes:

Thus says the Lord: Son of man, this looming crisis will burst, and it will shake these four tribes. The first tribe is the Northern tribe; the second is the Southern tribe; the third is the Western tribe and the fourth is the Eastern tribe. The looming crisis will shake these four tribes to the extent that it will bring harm and bloodshed.

Thus says the Lord of hosts: Son of man, I the Lord announce these messages to these groups of people to take steps. Starting from the people in positions of authority to the people in governing capacities. Starting from the people who are the head of villages to the Kings; starting from the governors to the ministers; starting from the members of the House of Representatives to the

Senators; including the former Presidents, Governors and the former politicians.

Incurable sickness will plague the corrupt people:

Thus says the Lord: Even if these godless people travel abroad, they will not be cured of their infirmity; even if they go to (sub terrestrial) below the ground; together with the satanic power that resides in their belly or stomach they will not be healed; instead, I the Lord will trivialize these people.

Penalty for conspiracy:

Thus says the Lord: Any King that conspired after this prayer session; I the Lord will disgrace such a King. Anyone in Nigeria who conspires against the Nation after this prayer session; I the Lord will ridicule such a person to the extent that there won't be sufficient money or power to heal the person. It will be a case of money being put to shame; even if there is money in abundance; but the Owner of the soul will take it away.

Conditionality that will make prayers to be answered:

Thus says the Lord of hosts: All the prayer sessions that the religious people in Nigeria want to begin should be conducted as directed, however, if they refuse to take the steps that I, the Lord instructed, then all their prayers will be like abominations in My presence.

Thus says the Lord: I, the Lord, send messages to these people that 'The love of money is the root of evil.' What I the Lord is expecting from these people are contrite hearts, and repentance, and humility of their hearts in the presence of I the Lord. It is then that they can cry for mercy, and I will answer; inform the President, the General Overseers, and the Kings about these directives.

Thus says the Lord of hosts: Inform people starting from Kumuyi, Adeboye, Oyedepo, Adefarasin, Ayo Oritsajafor, Olukoya, Okotie, Lazarus Mouka, Oyakhilome, Paul Eneche, Apostle Suleimon, Omotoso, including the leaders of CAC, Celestial Church of Christ, Cherubim and Seraphim, Anglican Church and Catholic Church. What I the Lord require from them are contrite hearts, repentance and humility of their hearts.

Thus says the Lord: If they refuse to take steps; then, I the Lord will make their services to become abominations to Me. Their services will not have a portion anymore in My kingdom.

Nigeria will change for better:

Thus says the Lord: Nigeria will still change positively; because I the Lord is ready to rescue the populace from the spiritual Egyptians where they have been used as slaves. After the aforementioned prayer session; I the Lord is ready to make my hand rise and come against the people who are afflicting or troubling this Nation (Nigeria). The hand of I the Lord will be spiritually heavy on their bodies, and these evil people will witness My greatness.

Loss of lives from mysterious events in certain states:

Thus says the Lord of hosts: The looming crisis will have widespread effect, and some people will lose their lives. Mysterious events will happen in certain States of the Federation of Nigeria. The States are the following: Abuja (The Federal Capital Territory), Zamfara State, Kano State, Edo State, Lagos State, Osun State, Ogun State, Ekiti State and Ondo State. Though the events that will happen in Ekiti and Ondo States will be minimal.

Provision of adequate security for certain States:

Thus says the Lord: People should assist the aforementioned States with prayers. My messenger, these States need adequate security and serious prayers.

Thus says the Lord: The people in positions of authority in these States should depart from unrighteousness and honor I, the Lord more than anything in the world. I, the Lord, is prepared to awake and fight for them; says the Lord God of hosts.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of a human to speak to everyone. Mankind should listen to I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.

Ezekiel 33: 1-11: Say to them: ‘As I live,’ says the Lord God, ‘I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.’

Numbers 23:19: “God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?
