Topic: The darkness is thriving – Part 2

Bible Reading: Genesis 1:1-8

The mystery of darkness and light

In the beginning when God created the earth, and the earth was without shape or form; because it was barren with no form of life. The roaring ocean that covered everything on earth was engulfed in total darkness. It was the darkness that was in charge or dominated the earth which was like a soup of nothingness, a bottomless emptiness, and an inky blackness; until the Spirit of God started hovering over the water. God's Spirit brooded like a bird above the watery abyss, and took control from the darkness. The Spirit of God that was moving over the water, prompted the Ancient of Days to create the light, and made it dominate the darkness. This is the mystery of the light and darkness; in addition, it is the reason why the darkness is subordinate to light. The Bible attested to this fact by saying, "The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Then God said, "Let there be light"; and there was light." **Genesis 1:2-3.**

Separation of light from darkness is not coincidental

When Almighty God saw that the light was good and pleasing, He separated the light from the darkness. The Lord separated light from the darkness, in order to be distinguished; because the light was useful and suitable for earthlings. The division between the darkness and light did not happen by accident, and it is not a coincidental thing that occurred by chance; instead, the separation was carried out by God on purpose. Almighty God approved the division; because light is good and beneficial to mankind; according to the Bible passage which says, "And God saw the light, that it was good; and God divided the light from the darkness." **Genesis 1:4.**

God also created a boundary between light and darkness. The Ancient of

Days placed an enclosing limit on the waters to set limits for light and darkness. Jehovah divided light from darkness by the horizon on the surface of the sea to separate the day from the night; according to the scripture which says, "He drew a circular horizon on the face of the waters, at the boundary of light and darkness." **Job 26:10.**

Reasons for the creation of light and darkness

God made light in order to exhibit the superiority of light over darkness. Light and darkness were created in order to distinguish good from evil, and right from wrong. Had it been only darkness was created; humans will not be able to do a comparative analysis, and choose the most advantageous between light and darkness.

God created prosperity and doom; He made success and failure; so that humans can differentiate and appreciate Him. The Lord made peace and disaster. He also created happiness and sorrow; so that mankind will fear Him and seek His presence. Now that you know the difference, are you prepared to submit to Your Creator? Do you want to live a peaceful and successful life? If you want good times instead of bad times, you must obey the commands of the Lord. It shall be well with you, if you do things that are pleasing to Your Maker who created blessings and calamity. The Bible corroborated this fact by saying, "I form the light and create darkness, I make peace and create calamity; I, the Lord, do all these things." **Isaiah 45:7.** The only way for the blessings of Abraham to manifest in your journey is to abstain from every form of darkness and embrace light.
