Topic: The darkness is thriving – Part 4

Bible Reading: Genesis 1:1-8

The foundations of the earth are shaking

It is a bitter truth that the foundations of the earth are trembling due to the misconduct of the humanity who is in charge. Mankind lacks understanding that they are living under the influence of the darkness and those who know are silent. The leaders of the Nations of the world are short-sighted; because they are making decisions without consulting God, and without consideration of the future. Most of the people in positions of authority throughout the world are walking in the darkness, and they are leading their subjects/populace away from the presence of God into pitch darkness.

The fundamental principles upon which rests the administration of justice throughout the globe are shaking due to ignorance and disobedience, of the commands of the Lord. Do you believe that the foundations of the earth are being undermined? Do you know that most people are corrupt, and justice is disappearing from the world? Is it clear that people are walking in the darkness, while the world is falling apart?

Though many people do not have a clue to what is going on in the world that is making all the foundations of society to be shaken to the core. The Bible attested to this fact by saying, "They do not know, nor do they understand; They walk about in darkness; All the foundations of the earth are unstable." **Psalms 82:5**. Are you contributing to the unstable foundations of the earth? Do you know that the present condition of the world is not what the Lord designed for the earth in the beginning? It is time to stabilize the foundations of the earth through the word of Light (the Gospel)

Complacency is the major problem

Nowadays, humans are overly satisfied with their current abilities or prowess. This self-satisfaction conduct often leads to a lack of effort to improve, and it makes people unaware of potential dangers of the darkness, or problems of defeating the strategies of Satan that require immediate attention. Today, most people have false confidence that is making them secure physically and financially in their current situation or ability.

Many people are even taking dangerous shortcuts to achieve their aims, as long as it is not illegal without being aware of the consequences, or risks/hazards. We are at a perilous period when darkness is thriving throughout the world; so, all those people who feel secure should tremble and repent. Those who have been living an easy life free from worries should discard their complacent conduct and return to their Maker.

Do not depend on your uncertain wealth or position; instead, throw off your complacency and be motivated to mend your relationship with God; else darkness will prevail over you; according to the scripture which says, "Tremble, you *women* who are at ease; Be troubled, you complacent ones; Strip yourselves, make yourselves bare, and gird sackcloth on your waists." **Isaiah 32:11**. Though the passage mentioned the pampered women, it is for every living soul to stop displaying excessive pride in themselves; instead, humans should humble themselves before their Creator in order to overcome the wiles of the darkness.

Forsake darkness

Every soul who intends to live a peaceful, healthy and prosperous life must forsake the darkness and seek the Almighty God. Are you ready to renounce Lucifer and his works? Are you prepared to be faithful to your Maker? Do you think your deeds are acceptable to the Lord? It must be noted that defiance of the commandments of the Lord and opposition of the Holy Bible are incitements for the darkness. Inasmuch, as humans continue to rebel against God in their acts, speeches and deeds; these conducts will embolden the darkness to curse their blessings, and turn their gladness to tears.

You cannot have lasting joy, if you are not in right standing before God. It is for this reason that evil, or disaster always happens when people expect good. When people who are doubting the power of God are waiting for good things to happen; it is then that trouble will come. You need to form a bond with God to prevent the darkness from making worse things happen when you hope for the best.

Humans must resist the darkness if they do not want their good plans to fail. You need to be watchful and prayerful if you do not want your happiness to turn to sadness. Be considerate and honest in all your ways if you do not want Satan to steal or snatch your joy. The Bible corroborated this fact by saying, "But when I looked for good, evil came to me; And when I waited for light, then came darkness." **Job 30:26**. If you are a Believer, God will be with you during your trial; the darkness will be powerless concerning your issue, and your suffering will be alleviated.
