Topic: The darkness is thriving – Part 6

Bible Reading: Genesis 1:1-8

God sees through the darkness

Most people on earth think that God is so busy to the extent that He knows nothing about their activities. The Maker of heaven and earth knows every plan of Lucifer and his agents. Despite the fact that demons and the contrary spirits are invisible to physical or natural eyes; their activities are not hidden before the Lord. Those who are associating with the darkness failed to realize that total darkness cannot prevent the Lord from judging their deeds. Even though God is in heaven; however, everything that humans are doing on earth is visible before Him.

The mindset of the cultists is that their wicked acts are concealed before the Lord; because they lack knowledge. The perception of humanity that the acts and the performances of secret societies are hidden from those who are non- members is not true; because God who sees everything can reveal it to anyone who has the gifts of the Holy Spirit. Do you think the deep darkness can hide your deeds from God? Inasmuch as God is the One that created and runs the universe. Are you one of those who are saying God does not know your misconduct?

Are you among the people with a preconceived notion that the distance from the heavenly throne of God to earth will obscure the vision of the Lord? Do you know that the thick cloud cannot act as a barrier that will hide your sinful activities? It must be noted that all the performances of the secret societies are naked before the spiritual eyes of the Lord; according to the scripture which says, “And you say, ‘What does God know? Can He judge through the deep darkness?’” **Job 22:13**. Since God can see through the darkness, why not do what is good and right; so that you will be admitted into the Glorious Home? Inasmuch as all your activities will be judged, why not be honest and transparent in all your ways?

No hiding place for the wicked

There are no secret places on this terrestrial ball called earth that anyone can hide himself or herself from the Lord; because He fills heaven and earth. It is important to know that there is nowhere in this world that you can hide from the watchful eyes of the Lord. The spiritual eyes of God are probing every location in the universe; so, you are only deceiving yourself if you try to conceal anything from our Creator. Do you think it is possible for any person to hide in the dark where God cannot see such an individual?

In heaven or on earth; there are no secret places where you can hide from God. Humans need to realize that no one can hide where God cannot see them; because He is everywhere in heaven and on earth. For this reason, the sinful people cannot hide from God; according to the Bible passage which says, "Can anyone hide himself in secret places, so I shall not see him?" says the Lord; "Do I not fill heaven and earth?" says the Lord."

Jeremiah 23:24. It is better to abstain from wickedness and lustful things than trying to hide your deeds from God.

No wrongdoer can hide in the darkness so that God will not know his or her activities. It must be noted that there is no dark place or deep shadow where the evildoers can hide from God. Whether you like it or not, nothing can hide the sinners from the Lord; because their acts and sins are like an open and shut case before the heavenly throne of God. Therefore, evildoers cannot hide from their Maker. The Bible attested to this fact by saying, "There is no darkness nor shadow of death where the workers of iniquity may hide themselves." **Job 34:22**. Why not start doing things that will make you qualify to be a child of light?

Nothing can be concealed from God

The eyes of the Lord are watching the deeds of humanity. God is observing the wicked and the good. The roaming eyes of the Lord are everywhere watching all the endeavors of mankind. God sees everything, whether good or bad. The Lord does not miss a thing; He is alert to right and wrong alike; so, nothing can be concealed from your Creator. The Bible corroborated this fact by saying, "The eyes of the Lord *are* in every

place, keeping watch on the evil and the good.” **Proverbs 15:3.** Do not deceive yourself; because nothing can be hidden from the eyes of the Lord. Since you cannot conceal anything from God, why not continue to do what pleases the Lord?

You need to know that even the darkness cannot conceal anything from God; because the night shines as bright as the Day before the Lord. Since the Almighty God covers Himself with shining light and bright radiation; so, darkness and light are alike to Him. Our God is so powerful that He can see in the dark; which means darkness is not dark to Him; because darkness or light cannot hinder His vision. God can see you in the sky, on the sea, and even if you are underground in a bunker. The Bible confirmed this fact by saying, “Indeed, the darkness shall not hide from You, but the night shines as the day; The darkness and the light *are* both alike *to You.*” **Psalm 139:12.**
