Topic: The darkness is thriving – Part 7

Bible Reading: Genesis 1:1-8

Darkness encompasses the world

Today, the darkness is covering the Nations of the world, and every aspect of human life. The darkness is taking control of the world in a sneaky way while people arrogate the actions to civilization, or revolution of technology. Believers must realize that we are at the end-time which is a perilous time when strange and mysterious things are happening.

Isaiah prophesied about this event to forewarned mankind to be vigilant, prayerful and prepared. The prophecy is now being fulfilled throughout the world at an alarming rate; because darkness is covering the earthlings and every location in the world spiritually. Though the earth and its people are covered with darkness, the glory of the Lord is shining upon the Beloved. Can you claim that the brilliance of God is seen in you? Do you think the light of the Lord is shining on you? Are you among the Believers who have prevailed over the darkness?

It is time for you to decide and take steps to resist the darkness; so that you will be among the people that God's bright glory has risen; according to the scripture which says, "For behold, the darkness shall cover the earth, and deep darkness the people; But the Lord will arise over you, and His glory will be seen upon you." **Isaiah 60:2**. Do not procrastinate; but take steps so that you will not perish with the world.

Many are spiritually blind

The majority of the people in this world are spiritually blind; it is for this reason that they are moving away from the presence of God towards Satan. The whole body of anyone who has a bad eye will be full of darkness devoid of God's precepts, and when there is no light in such a person's heart, it is total darkness. The spiritual eyes of most people in the world are evil and unhealthy; it is for this reason that numerous people

have polluted their conscience. Can you confirm that the light in you has not turned to darkness?

Inasmuch as your eyes are windows into your body, keep your eyes healthy and open spiritually in wonder and belief; so that your body will be filled with light of God. If you live squinty-eyed in greed and distrust, your body will become musty and dark. Anyone whose eye is clouded spiritually with evil thoughts and desires is in a spiritual darkness; according to the Bible passage which says, "But if your eye is bad, your whole body will be full of darkness. If therefore the light that is in you is darkness, how great *is* that darkness!" **Matthew 6:23**. Do not forget that when your body is filled with darkness; the light you think you have is actually darkness. It is a fact that if the light inside you is dark; surely you are in the darkness immaterial of your confession.

It is the duty of the honest Christians who are not in spiritual bondage of the darkness to assist others to escape the entrapments of Satan. Do you know that if you are yet to break free from the imprisonment of the contrary forces; you will not be able to assist others. It is time to open your eyes spiritually by walking with your Maker in truth and humility. If you fail to teach others how to resist and evade the darkness; it signifies that you are a selfish person who refuses to love others like himself or herself.
