Topic: The darkness is thriving – Part 8

Bible Reading: Genesis 1:1-8

Jesus Christ is the Light of the world

Jesus Christ was the Word with God in the beginning that everything was created through Him. Jesus Christ who is the Word was the source of life, and this life brought light to humanity. Eternal life is in Jesus Christ alone, and life gives light to mankind. It must be noted that life began by the Word of God, and He was the One who gave life to everything that was created. The life of Christ brought life to everyone on earth. Do you believe that Jesus Christ is the light of the human race?

The Life-light of Christ blazed out of the darkness that encompassed the world, and the darkness cannot put it out. The darkness cannot overpower Jesus, the Light that is shining throughout the globe because it is inferior to the Light. The darkness does not understand or extinguish the Life-giving Light; because of His Superiority and Eternity. Do you know that the darkness is trying to absorb the Light through the activities of the Christians? Are you contributing to the efforts of the darkness to dominate the world? Are you obstructing the Light from prevailing over the darkness? Are you prepared to make the Light of Christ shine in your life? The Bible attested to this fact by saying, “And the light shines in the darkness, and the darkness did not comprehend it.” **John 1:5**. Make sure that your conduct is not aiding the darkness or suppressing the Light.

Who will not walk in darkness

Jesus Christ is the Light of the world, and only the obedient people will walk in the Light of their Maker. It means if you follow Jesus Christ, you won't be stumbling through the darkness because living Light will flood your spiritual path. Inasmuch as Jesus Christ is the Eternal Light; you must keep the statutes of the Lord; if you do not want to walk in the dark. You can possess the Light of life if you are honest and transparent in all your dealings. You will never live in or walk in darkness; if you fear God and

humble yourself before Him.

Do not be deceived, your confession that you are following Jesus is not an automatic qualification that you will have Light. If your goal is to forestall slipping in the darkness but have light that give Life; you must do things that pleases the Lord; according to the scripture which says, "Then Jesus spoke to them again, saying, "I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life.'" **John 8:12**. To avoid walking in darkness, but have light that leads to life; you must do what is good and right.

Trust in Messiah and abide in the Light

Believers who have unshaken faith in Jesus Christ will never stay in the dark. The people who cleave to the Messiah and trust in Him will never continue to live in darkness. The only way to escape living or walking in the darkness is to anchor your hope in Jesus Christ the Savior of the world. You must rely on Christ and the truth of His message; if you do not want to remain in darkness. People who believe in the Father, the Son and the Holy Spirit will no longer wander in the darkness, but have abundance of Light.

We pray that the Messiah who came as a light to shine in this dark world will give you light that will not make you stay any longer in the dark, in Jesus' name. The Bible corroborated this fact by saying, "I have come as a light into the world, that whoever believes in Me should not abide in darkness." **John 12:46**. It is time to abstain from darkness, rely on Christ and live in Light forever.
