Topic: The Spirit of God gives life – Part 2

Bible Reading: John 6:60-63

Many contrary spirits exist on earth

There are various satanic spirits that are roaming on the surface of this planet. These demonic spirits are opposing the Holy Spirit of the Lord and His instructions to mankind. These evil spirits are utilizing the works of God; most importantly humans to get back at the Creator of the universe. The demonic spirits are ruling the world through lies, deceits and ungodliness. Satan is using these contrary spirits to elevate money, power and fame to deceive and lead humanity astray from the righteous path.

Nowadays, it is the glittering of this world that is being used to entrap the faithless people. The situation is so severe to the extent that even the leaders of Christianity are also ensnared. The world is inverted due to the propagation of vanities rather than the dissemination of the Gospel. It is a fact that countless people are possessed with evil spirits, including many who held important positions in the churches and Nations across the world.

The mere fact that someone is a Christian does not signify that it is the Holy Spirit that is operating in such a person's life. Can you say with confidence that it is the Spirit of God that is operating in your life? Do you think your conduct is being directed by the Spirit of God? Are you acting according to your heart desires, or what pleases the Lord? It must be noted that all these satanic spirits cannot give life; however, they can ruin the lives of humans with ease, and jeopardize the journeys of those who do not put their trust in God. We need to realize that no lasting and beneficial thing can be derived from evil spirits.

Jesus warned concerning contrary spirits: Jesus Christ our Lord and Savior warned concerning the non-believers with contrary spirits who are shrewder than those who have the gifts of the Holy Spirit. People who belong to this world are cunning and wily in their dealings than the Beloved

of God. Beware of the worldly people who are crafty in handling their affairs without consideration of the instructions of the Lord. Do you know that the Spirit of God is not in anyone who uses trickery to achieve his or her goals? The Holy Spirit cannot abide in the lives of whoever uses skill in disguising true motives to manipulate situations. The Spirit of God is not in anyone who uses a dishonorable approach to get what he or she wants; immaterial of the position of such a person in the vineyard of the Lord.

Are you more clever in dishonesty than the godly people? Do you know that it is not the Spirit of God that makes you pursue your survival in immoral ways? The Bible corroborated this fact by saying, "So the master commended the unjust steward because he had dealt shrewdly. For the sons of this world are more shrewd in their generation than the sons of light." **Luke 16:8**. Your confession that you have gifts of the Holy Spirit is not true anytime that you use nefarious means to achieve your aim.

Test the spirits: The Beloved must not believe every spirit; because there are several unclean spirits in the world that are parading themselves as the Spirit of God, in order to mislead the world. Many evil spirits are speaking through the self-proclaimed prophets and prophetesses to lead people away from the presence of God. Many false prophets and teachers are presently in the world; their messages and teachings are in conflict with the instructions of the Almighty God. Do not believe anyone who claims to have the Spirit of God that gives life; instead test the spirit to find out if it is the Holy Spirit that is operating in such a person's life.

Never believe everyone who claims to speak by the Holy Spirit, but test them to see if the messages come from God; because countless false prophets are in the world. Do not believe everything you hear; instead, carefully weigh and examine the messages to ascertain they are from God; because not everyone who talks about God comes from God. The Bible attested to this fact by saying, "Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world." **1 John 4:1**. Beware of the lying and charismatic preachers that abound in the world today; else, you will be misled.
